Lecturer :

Fr Simon Faddoul
President of Caritas Lebanon

Jesus personified leadership. He guided people, aimed them towards truth and showed the way to love, to forgiveness, and to eternal life. The best way to start defining leadership is with Jesus. Through His personality, character and behaviour we learn lots of lessons on how to deal with people, resolve conflicts, build bridges of peace and reconciliation, concentrate on goals and objectives, be visionary for the Church and community.

The lecture will be in English.
